5. STATEMENT

The entire delay in filing the required reply from the due date for the required reply until the filing of a grantable petition under 37 C.F.R. 1.137(b) was unintentional.

Specifically, Applicants note that the Notice of Allowance and Issue fee due was not received and believe that it was lost in the mails during the Anthrax U.S. Postal Service closings in Washington, DC, mail diversions, and destruction and/or non-delivery of mail suspected of contamination. Applicants did receive a Notice of Abandonment mailed 13 March 2003, but did not know that the prior attorney did not address or respond to the Notice of Abandonment until recently when the case was transferred to Suzannah K. Sundby in April 2004. Since the transfer of the case in April 2004 to the present date, Applicants were endeavoring to determine the facts related to the abandonment. During such time, Applicants determined that there was no intent on the part of the Applicants that the application go abandoned. Therefore, the entire period of abandonment was unintentional.

It is not believed that fees beyond those submitted herewith are required. If, however, any additional fees are necessary in order to grant this petition, then such fees are hereby authorized to be charged to our Deposit Account No. 210-380, Attorney Docket No. 034047.037 (WRAIR 95-10).

Respectfully submitted,

Suzannah K. Sundby
